"The NOSSP Mentor has made good teaching, really great teaching."

Headteacher

"It was really fun; I had the best time. I have had so much fun with my friends; I can't wait to do it again."

Student

"The partnership with NOSSP is absolutely critical in being able to help improve the well-being of young people within Cherwell District Council. Working so effectively and easily in partnership has made it possible to offer a wide range of opportunities, with some seen as national examples, and have had a real impact on young people."
