“Thank you so much for your donation. It really means a lot to me and to the Ashfield Trust.

Judith & Mark”

Oxford Hospitals Charity helps transform our local hospitals - the Oxford Children's Hospital, John Radcliffe, Horton General, Churchill and NOC - funding the latest medical equipment, research and facilities. Thank you so much for your amazing support. Find out more at www.hospitalcharity.co.uk

Hi Mrs Williams,

Thank you for your kind donation of: £876.30

We're so grateful for your support, especially at a time when our resources are more stretched than ever.

For over 50 years, we've promised to never put down a healthy dog. In our rehoming centres, we look after thousands of dogs every year, giving them the love and care they need, for as long as they need us.

We believe a dog is for life®; we're here to support dogs, and their owners, once they've found their forever home too.

At a time when our resources are stretched more than ever, our work wouldn't be possible without your support. Donations like yours mean we can be there for dogs when they need us most.

Thanks to you, we'll be able to help even more dogs. On behalf of all the dogs in our care, and all our staff, — thank you!

If you have any problems please call our Customer Services team on 020 7837 0006

Best wishes,

Gerrv Mullarkev

Dear Georgina

Thank you so much for taking a moment of your time to make a donation of £876.30 in support of Katharine House Hospice.

If you have increased your donation to contribute towards our processing fees, then thank you for that too. We do appreciate it and these amounts really do add up.

We have come a long way since we welcomed our first patient through our doors in 1991. Last year over 815 local people received specialist individualised care from our doctors, nurses, therapists and support workers. This is only possible thanks to the support of people like you. Thank you so much for helping to make every moment matter for those needing end-of-life care.

Some people think that our partnership with the NHS means we no longer need to fundraise, but this is not the case. We still need donations to help us to cover more than 50% of our costs, so your support really does make a difference. Meeting our essential costs each day is extremely challenging.

Thank you once again for your kind gift, we really appreciate your support.

With best wishes

Linda Hinds
Supporter Care Officer
