

Emotional Check-in

Emotional Check-In. Can you check in with a family member and discuss how you are feeling? You might feel worried, sad, happy, excited or tired. It is important to check in with your well-being before starting a new day of home learning.

Poetry Time

Today, we would like you to start your day listening to and learning a poem. Can you learn your poem and recite it to someone at home? Can you hear rhyming words or repetition? This website below has many poems to choose from. You can choose your category. Remember to make sure you are exploring poems for your age group.

Maths

In school, we are investigating the following...

The taller the person, the longer the foot. True or False?

Can you investigate this at home with your family members? You could call up family members or friends to find more information to prove the hypothesis right or wrong. You could use standard units of measure such as a ruler for cm or non-standard units of measure such as sugar cubes, buttons, Lego or coins.

| Measurements (cm) | Tally |
|-------------------|-------|
| | |

How long is the tallest person's foot?

How long is the shortest person's foot?

Did the tallest person have the smallest foot?

Did the shortest person have the smallest foot?

Letter-join Home log-in

Dear Parents and Carers,

Our school is now part of the Letter-join handwriting scheme and our pupils can log in to the Letter-join website on iPads and tablets as well as desktop and laptop computers at home. There you will find the same, easy-to-use handwriting resources that we use at school.

User name: **dw7552**

Letter-join will work on the following browsers on PCs/Macs:

- Google Chrome
- Firefox
- Safari

Do not use Internet Explorer.

IPAD AND TABLET LOG-IN

Go to www.letterjoin.co.uk and use the Tablet log-in option with these details:

User name: **dw7552**

Swipe code

- iPads running iOS7 and above through the Safari browser.
- Windows 8 tablets (8 inch and bigger) using the built-in browser.
- Android tablets (8 inch and bigger) using Google Chrome, Firefox or Opera.

This useful handwriting website supports letter formation, fine motor control and shows children how to begin using pre-cursive and a cursive style of handwriting. You can practise these skills using the tabs to the left on the home page. The further you move down the tags, the more challenging the mark-making challenge. We recommend Year 1 starting at patterns.

You can even play games and build on your phonics skills using the tabs to the left.

Choose a Classroom

Once logged-in, choose your child's classroom and you can use Letter-join's resources and fun activities to reinforce the handwriting we teach at school. You can trace over the letters and words and play the games on your tablet.

We are limited to the number of users who can log in to this account, so please do not share these log-in details.
